Subject: AM 2021/15 Schedule X and Health Awards

To: The **Associate to Hatch V**

And

To: The AMOD team

I refer to my conversation with Alexa of late yesterday afternoon when I indicated that APESMA intended to submit applications to amend a number of Modern Awards to extend the operation of Schedule X to 31 December 2021.

I indicated that APESMA has an interest in the following awards that fall within the Health Sector Awards group (AM 2021/15):

- Pharmacy Industry Award 2020
- Health Professionals and Support Services Award 2020
- Ambulance and Patient Transport Award 2020

Upon reviewing the Full Bench's decision of 24 March 2021, [2021] FWCFB 1596, it became apparent that the Full Bench in paragraph [18] of that decision has extended the operation of Schedule X to all the Health Awards as defined in paragraph [1] of the Full Bench decision of 24 March 2021, including the three listed above in which APESMA has an interest.

The purpose of this email therefore is to clarify to the Modern Awards team and the Associate to Vice President Hatcher that we will not be submitting applications to vary any Awards as part of the AM2021/15 proceedings.

Thank you to Alexa and the team for your time and assistance.

Regards,

Michelle Anthony
