Subject: AM2014/196 & 197 - NDIS and related issues

Dear Associate,

AM2014/196 & 197 - NDIS and related issues

I refer to the above proceedings and the hearing listed for tomorrow and Friday.

My clients had previously indicated that they wished to cross-examine all union witnesses.

However, in light of the comments of the Vice President during the mention on 16 June 2016 regarding parties trying to minimise the need for cross-examination to ensure the efficient conduct of the proceedings, and following the production of certain documents pursuant to Orders to Produce, my clients no longer wish to cross-examine the following witnesses:

1. Angela Jamieson;
2. Melissa Coad;
3. Mary Hajistassi;
4. Christine Gamble; and
5. Susie Bady.

I have already corresponded with the relevant representatives about this issue, whom are also copied into this email.

The parties are also today endeavouring to finalise a witness schedule and to ensure the efficient conduct of the proceedings.

Please do not hesitate to contact me should you wish to discuss.

Yours sincerely

Kyle Scott
