Subject: AM2014/203 Graphic Arts, Printing and Publishing Award 2010 - extension request

Dear Associate,

We refer to the directions issued by Justice Ross on 24 December 2018 in the above matter. The Australian industry Group (AiGroup) and Australian Manufacturing Worker's Union (AMWU) were directed to file a submission regarding the outstanding issues between the parties . The Directions were varied by consent on 14 January 2019 for submissions to be filed by 4pm this afternoon.

The parties have had ongoing useful discussions and are working through the matter, including some additional issues that have been brought to light by those discussions. The AMWU, with the consent of the AiGroup, respectfully requests that the parties be granted an extension of time to file a submission as directed until 4pm 8th February 2018. The time would allow parties to progress the discussions before filing submissions.

We thank the commission for its consideration of our request.
