Subject: Re: AM2014/209 - Pharmacy Industry Award - Substantive Issues

Dear Associate

I am currently not at work because of ill health, but have read the Guild's email regarding our request for an extension in the time to file our expert evidence and the findings we seek the Commission to make .

We understand the Guild's frustration and particularly because of the voluminous nature of the evidence provided by the PSA we would have no objections to a consequential extension being provided to them so they also have a proper opportunity to consider it

Regards

Jacki Baulch
