Dear Award Modernisation Team,

AM2014/245 — Sporting Organisations Award 2010

Further to AFEI's submissions made on the 7 February 2017. We note that the AWU has made a new claim in respect of overtime entitlements for coaching employees. AFEI does note that this submission has been made very late in the review process and agrees with the submissions of Tennis Australia, Gymnastics Australia and the AFL that this is a substantive change to the Award which AFEI opposes.

Yours sincerely
