Aboriginal Community Controlled Health Award 2010

Dear Elizabeth,

At the previous conference on 28 April 2017 in relation to the above matter, I agreed to provide an update as to whether the HSU was pursuing item 11 in the Summary of Submissions – technical and drafting – further revised document, which concerns the wording of clause 3.3 in the exposure draft.

I can advise that the HSU now withdraws this claim.

Kind regards,
Rachel
