4 Yearly Review of Modern Awards – Revised Exposure Drafts (Group 4 Awards)

Dear Sir/Madam

We act for Australian Business Industrial and the NSW Business Chamber in the above matter. I refer to the Statement issued on 28 February 2019 and the Commission's request for parties to comment on updated group 4 exposure drafts by 12 April 2019.

Attached are our [clients' submissions](#) in response to the majority of the updated group 4 exposure drafts. I acknowledge that the submissions were due for filing on 12 April 2019 and are accordingly being filed late. Our clients apologise for the delay in the filing of the submissions and respectfully request that leave be granted for the submissions to be considered in these proceedings.

Our clients also have an interest in the *Aged Care Award 2010* and the *Social, Community, Home Care and Disability Services Industry Award 2010*. Regrettably, the relevant practitioners have not yet been able to review the updated exposure drafts due to their involvement in a number of matters, including the Hearings recently and presently before the Commission in relation to these awards. We respectfully seek leave to file submissions in relation to these two exposure drafts by 5.00pm on Thursday 18 April 2019.

Sincerely,

Rhys Kingston
