Subject: Draft Report - Aged Care Awarded 2010 - AM2014/251

Good Afternoon Commissioner Lee

I refer to your report dated 11 September 2017.

In this report, you requested that any comments regarding the accuracy of the draft report should be provided to you by 5.00pm, 22 September 2017.

The Employer Parties have had the opportunity to review the report and note that there are a number of items that have reached 'in principle' agreement between Employer Parties and the Unions.

The Employer Parties however, would like to advise the Commission that these items that have been agreed to 'in principle' are still subject to final ratification from our respective memberships. In light of this, the Employer Parties ask that the final report be issued once such ratification has been received. Alternatively, we would be grateful if any final report published contains this qualification, and a direction is issued by the Commission allowing both employer and employee parties a number of further weeks to obtain this ratification following publication of the final report.

Regards
Keiran
