Subject: AM2014/300 - TOIL Provision - Electrical Power Industry Award 2010

Attention: Award Modernisation Team, FWC

Dear Sir/Madam;

I write on behalf of the CFMEU, CEPU, AWU and ASU regarding the draft determination of the time off instead of payment of overtime provision in the Electrical Power Industry Award. The draft determination was issued by the Full Bench on 15 September 2016 with the parties to make any submissions on the draft determination by 13 October 2016.

Save for a couple of typographical errors the four Union agree to the draft determination.

The typographical errors are:

1 In "EXAMPLE 2" in paragraph (b) of clause 26.3, the word "a" should be inserted between the words "and" and "half" such that it reads "time and a half".

2 In paragraph (e) of clause 26.3 the reference to "paragraph (e)" should read "paragraph (c)". The "six months" being referred to in paragraph (e) is a reference to the six months mentioned on paragraph (c) of clause 26.3.

I would be grateful if you could bring this email to the attention of the members of the Full Bench and post it on the relevant web site

Yours Sincerely

Andrew Thomas
