Subject: Group 1 and Group 2 Awards - revised exposure drafts

Dear Associate to the President

I am writing regarding directions in the recently published decision 9 June 2017 *4 yearly review of modern awards – Award Stage – Group 1* [2017] FWCFB 3177 and the directions in the Statement of 13 June Statement 4 *Yearly review of Modern Awards- Award Stage – Group 2* [2017] FWC 3205.

The decision directs at paragraphs [119] – [121] and paragraph [5]-[6] respectively for parties to provide further comment about any errors or further issues with the exposure drafts by 30 June 2017.

The officer at the AMWU responsible for the Black Coal Award in Group 1D, Timber Award in Group 1C, Mining Industry Award in 1D and Graphic Award in Group 2A has recently taken carriage of the matters. Given the extent of work involved in the concurrent review of all the Awards, she will not be able to comply with the deadline of the 30 June 2017.

In light of this, I am respectfully requesting on behalf of the AMWU an extension of time to provide further comment be extended by four working days to 6 July 2017.

Kind regards,
