Subject: AM2015/1 - Family and Domestic Violence - Hearing start time

Dear Associate,

In light of the new conference listing on 18 October, the ACTU respectfully asks the Bench to consider delaying the commencement of the hearing until 2:00pm on 19 October to provide time for final consultations and instructions.

We have spoken with the employer parties and we are advised that they have no objections to this amendment to the timetable.

We thank the Bench for considering this request.

Yours sincerely,

Sophie Ismail
