Dear Senior Deputy President Hamberger,

Re: AM2016/32 – TRANSPORT INDUSTRY AWARDS

AM2014/216 – *Waste Management Award 2010*

AM2012/212 – *Road Transport and Distribution Award 2010*

AM2014/211 – *Road Transport (Long Distance Operations) Award 2010*

We refer to Your Honour's directions dated 20 December 2016. Interested parties seeking variation/s to the above awards were to file material in support of the variations by 13 January 2017.

The TWU is unable to file all of its evidentiary material by today's date due to witnesses having not been available to complete their statements due to the Xmas/New Year break.

As the TWU is unable to meet the above timetable we seek an extension to Wednesday 18 January to file submissions and any evidentiary material.

We do not believe other parties will be prejudiced should an extension be granted as a number of the variations will not be pursued at this stage.

Yours sincerely,
