Subject: RE: AM2016/33 - Graphic Arts Printing and Publishing Award

Dear Deputy President,

With regard to the AMWU's claim for an amendment to the competencies referred to in the above Award, discussions are continuing between Ai Group and the AMWU about the matter. The issues are complex given the current and proposed linkages between the Award and the Printing and Graphic Arts Training Package.

The parties intend to meet again over the next few weeks and request that the Commission give the parties the opportunity to continue the discussions to ascertain whether an agreed position is able to be reached.

Yours sincerely
