Subject: Graphic Arts, Printing and Publishing Award 2010 - AM2016/33

Dear Deputy President

We are writing to apply for a variation to the Commission's 20 August 2018 Directions in the above matter, given the late filing of the AMWU's materials.

The Directions required that the AMWU file its materials by 5pm on Friday 14 September, but it appears that the AMWU did not file its materials until late on Monday 17 September. The AMWU did not serve its materials on Ai Group and therefore we were not aware that the materials had been filed until we received the Commission's 4 Yearly Review subscription email at 10.48am on Tuesday 18 September.

In the interests of procedural fairness and given the complexity of the issues, Ai Group seeks the following amendment to clause 2 in the Directions:

- Interested parties are to file in the Commission, an outline of submissions and any witness statements and other documentary material on which they intend to rely responding to the AMWU's proposed amendments, by no later than 5.00pm ~~Friday 12 October 2018~~ **Monday 15 October 2018**. Any interested party proposing alternative amendments should also file a draft determination setting out its proposal and should address the proposal in the outline of submissions and evidentiary material filed.

The matter is listed for hearing on 31 October and therefore the amendment sought to the Directions will not delay the hearing.

Yours sincerely

Stephen Smith
