Good morning Mr Ward,

I refer to the email below and the **attached** email you sent to the Chambers of Commissioner Lee on 13 November. The Commissioner's Chambers confirmed with you that the email relates to the hearing listed for Monday 26 November.

In that email you advised the following:

1. Witness Francis Brailey is located in [REDACTED], NSW;
2. Witness Glen Day is located in [REDACTED], QLD; and
3. Witness Kris Bunder is located in [REDACTED], SA.

The Commission will endeavour to find a location with video conferencing facilities that is near each witness, to enable them to appear in person.

At the [Mention](#) held on Friday 9 November, Justice Ross stated the witness evidence would be dealt with in the morning of the hearing listed for Monday 26 November.

Good morning Ms Dabarera,

The Commission seeks an estimate from United Voice as to how long each witness will be required for cross-examination, **as soon as possible**.

Regards,

Casey Sutton

Dear Associate,

We have been informed by RCI that they have requested that their 3 witnesses give evidence by telephone.

United Voice prefers that the witnesses give evidence either in person or by video-link, unless there are special circumstances as to why a witness is unable to appear.

Warm regards,

Dear parties,

I refer to the above matters.

The Commission kindly requests that the parties who will be calling witnesses in these matters please advise Chambers of the name and location of each witness as soon as possible to assist with programming. Please also specify the matter each witness will be giving evidence in relation to.
