Subject: Confirmation of witnesses - AM2014/196 and AM2014/197 [ME-ME.FID3469985]

Dear Associate

We refer to the directions issued on 9 June 2016 in relation to the above matter. Our client has confirmed the following witnesses are available for the hearing before the Full Bench on the scheduled dates of 14 and 15 July 2016, with no unavailable times:

- Administration Assistant – Operations. This witness is also identified in the Working Witness List dated 8 June 2016 as 'Witness Statement'; and
- Lois Andrijich, General Manager Human Resources (Operations). This witness is also identified in the Working Witness List dated 8 June 2016 as 'Witness Statement 2'.

As both witnesses are based in Perth, we respectfully request they appear at the hearing by video-link from the Fair Work Commission in Perth. If video-link facilities are unavailable at the Fair Work Commission on the relevant hearing dates, we can arrange for our client's witnesses to appear at the hearing by video-link from our offices in Perth.

As Perth is 2 hours behind AEST, we respectfully request our witnesses are listed to appear at the hearing dates of 14 and 15 July 2016 no earlier than 11am AEST (9am AWST).

Please do not hesitate to contact us should you have any queries in relation to the above.

Kind Regards
