Good Afternoon Associate

On behalf of the Parliamentary Departments, the Department of Parliamentary Services (DPS) is writing as an interested party in matter AM2021/54.

The Parliamentary Departments will be making submissions in accordance the Full Bench's direction at paragraph [96] of statement [2021] FWCFB 5281 made 26 August 2021.

We note the Full Bench has directed submissions be made by **4:00pm AEST Thursday, 2 September 2021**.

Request for Extension of Time

DPS has considered the time needed to prepare and finalise submissions, including consultation requirements between the four Parliamentary Departments and with the APSC.

Following this consideration, DPS respectfully requests:

1. Whether there is scope within the timeframe set for the casual terms award review 2021 for an extension of time to be granted to the Parliamentary Departments to prepare submissions per paragraph [96] of the statement?
2. And if there is scope, whether the Parliamentary Departments can be granted an extension of time to make submissions until **4:00pm AEST Thursday, 9 September 2021**?

The Parliamentary Departments thank the Full Bench's chambers' for consideration of this request.

Please contact me should you wish to discuss any aspect of this extension of time request.

Kind regards

Noel
