Introduction

The Work value case – Aged care industry concerns applications to vary minimum wages for aged care employees in 3 awards.

Part 1 of the Research reference list provides references that have been directly cited in the submissions of parties and witness statements up to 21 April 2022. Each citation indicates the submission or witness statement in which it was first referenced.

Part 1 of the Research reference list contains:

- full citations to articles referenced in the submissions of parties and witness statements; and
- references (via endnotes) to where articles were first referenced in the submissions of parties or the witness statements.

Part 1 of the Research reference list is organised by the type of article:

- Published research articles and books
- Working papers and reports
 - Australian
 - International
- Government reports
 - Australian
 - International
- Data sources

Part 2 of the research reference list includes cases directly cited by parties in the submissions and witness statement. The cases are arranged in alphabetical order.

The Research reference list does not purport to be an exhaustive list of all materials referenced by parties.
